

Claiming Your SkillsFuture Enterprise Credit Is As Easy As

1 2 3

The SkillsFuture Enterprise Credit (SFEC) is a **\$10,000 credit** provided by the government to further encourage employers to embark on business transformation and skills development.

Eligible employers will benefit from an **additional 90% funding support** for their out-of-pocket expenses when they take up initiatives relating to enterprise and workforce transformation. No application is required and eligible employers automatically receive \$10,000 in credits!

Here's A Simple 3-step Guide To Claim Your SFEC For SkillsFuture Singapore Courses

STEP 1

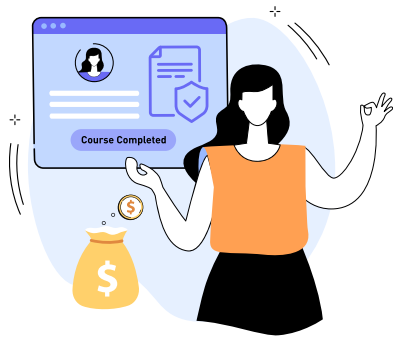

Visit The SFEC Microsite
Login using your CorpPass to view your balance credits.

STEP 2

Search For Courses
Find and shortlist eligible courses for your enterprise.

STEP 3

Receive Your SFEC Claims
IRAS will credit approved SFEC claims to your enterprise on a quarterly basis once employees complete their training.
